Dear Friends of Life,

Due to changes with ACCW Central Deanery, accounting for each South King County Mass/March for Life bus will under a Knights of Columbus Council or Parish with the Pastor's permission. Each bus will be coordinated by a Knights or a Respect Life member. Transportation coordination to the **MASS/MARCH 4 LIFE in Lacy/Olympia for Monday, January, 22nd, 2018**, is contracted by myself through Travel Leaders (Travel Center, Inc) with a licensed charter bus company for the 16th year. The Washington March for Life <http://www.washingtonmarchforlife.org/> began over 40 years ago inspired by Kathy McEntee. Her two daughters, Aileen and Noreen continue to lead us to press for elective abortion repeal and limitations in Washington and to participate in the Mass and March for Life. In the first transportation event, donations to cover the costs were short \$50, but since then, with **YOUR** help, reserves have permitted expansion to more parishes. Money in reserve almost paid for five 2018 buses. **NOW is the time to send your donation to your appropriate bus leader.** After collection onboard reserves will be held for 2019. **Generous support allows students to participate and learn. It also allows those who cannot afford a donation but have the time to be the hands and feet of others in Olympia.**

The five 2018 buses are:

Pickups start at 7:30AM in order to reach St. Martin's College for the 9:30AM Mass for Life with the Archbishop. Buses transfer riders to the capitol for the March and to hear speakers between 12PM and 1:15PM. Then time allows for appointments with legislators before re-boarding for return. Look for information at your parish, soon. Each bus must have these volunteers to assist the coordinator: registrar, head counter, donation collector, and prayer & song leader. Please contact lead coordinator ASAP to offer your help and to register. **Thank you for continued support.**

Sincerely,
