Frequently Asked Questions

Where do I park?

Kent Planned Parenthood is located at 10056 SE 240th #A, Kent, WA 98031. You may park in the Fred Meyer parking lot across the street. Do not park in the Planned Parenthood complex parking area.

Where do I stand?

Stand in single file on the sidewalk next to the Popeye's building, a safe distance from the driveway, facing the Planned Parenthood. Do not block foot traffic or visibility for vehicles.

What if I'm the only one there to pray?

If you feel comfortable doing so, go ahead and get out of your car to pray; if not, feel free to stay inside your car and pray. Try to stay the full hour you scheduled.

What prayers should I be saying?

Prayers for Life and to St. Michael the Archangel for protection, the Rosary as well as the Divine Mercy Chaplet. You can make up your own prayers or read your Bible, Stations of the Cross, or go to www.PriestsForLife.org and choose from many prayers suggested there.

What if people approach me and want to start an argument?

Tell them you are there to pray for those inside the clinic and ask if they'd like to join you in prayer. Offer them a Kent Lent for Life brochure (downloadable from link on left at <https://ststephenslife.com/kent-lent-for-life>).

What if someone comes out of the clinic after changing her mind?

If you are able to have a conversation with her, be loving and non-argumentative. Give her the Kent Lent for Life brochure (downloadable from link on left at <https://ststephenslife.com/kent-lent-for-life>) and offer to help in any way you can.

May I bring my own signs?

We encourage using only signs with loving messages. See your local coordinator for a Kent Lent for Life sign or email SstStephenChoosesLife@yahoo.com. You may keep the sign until the last vigil.

What if I can't stand the whole time?

A camp stool might work but place it no more than two feet from the sidewalk; do not block the sidewalk.

IMPORTANT: This is a time for prayer rather than fellowship. Do not chat with your partner. Pray for conversion and change of heart for abortionists, clinic staff, and parents of innocent victims.
